### WORLD OF OPTIMUM INDUSTRIAL PRODUCTS

# MOULD SPRAY

## SILICONE RELEASE SPRAY

**Description:-** Silicone spray is a multi-purpose silicone spray for general lubrication. It finds use as a good mold release in injection molding, of plastics, rubber and thermoplastics as a release agent in metal coatings foundry operation.

Grade	Size	Qty.
2222, 2223	25 Pcs. *1 Box	250gm
2224, 2225		300gm
2226, 2228		350gm
2229, 2230		400gm
2231, 2219		
3336		

## SILICONE RELEASE ANTI-SPATTER SPRAY (NF)

**Description:-** Wesaf Silicone Release Anti Spatter spray (NF) has a Long-lasting anti-spatter coating that is weather resistant. It keeps spatter from sticking to surrounding metal surfaces, welding tips, and weld beads while welding.

Grade	Size	Qty.
2234	25 Pcs. *1 Box	450gm

## SILICONE FREE RELEASE SPRAY

**Description:-** Silicone Free preparations designed for mold release of molded articles that are required to be painted, printed, electroplated, metalized or glued. free form chlorinated solvents non toxic & colorless & odorless.

Grade	Size	Qty.
1100, 1101	25 Pcs. *1 Box	250gm
02, 03, 04		300gm
05, 06, 07,		
08, 1110		
1099		

## SILICONE FREE RELEASE SPRAY (NF)

**Description:-** Wesaf silicone free release spray provides long-lasting weather-resistant anti-spatter coating Special silicone-free preparations for the mold release of molded items that need to be bonded, painted, printed, dyed, or metalized.

Grade	Size	Qty.
1111	25 Pcs. *1 Box	450gm

# MOLD, PAINT SPRAY & PAINT REMOVER

## SEMI PERMANENT MOLD RELEASE

**Description:-** Semi-permanent Mold Release provides a durable parting film which is colorless, heat stable and suitable for all organic rubbers, thermosets and PU. In most cases, a single application provides multiple release cycles.

Grade	Size	Qty.
9980	25 Pcs. *1 Box	250gm

## PAINT STRIPPER

**Description:-** A paint stripper is made to remove paint, varnish, and other finishes from surfaces. It makes it simpler to scrape or wash away paint by weakening the link between it and the surface.

Grade	Size	Qty.
6662	25 Pcs. *1 Box	400ml

## PAINT TOUCH UP SPRAY

**Description:-** Spray paint is a colored liquid in a pressured container. The paint will turn into a remarkable mist when you press the nozzle, allowing you to quickly and gently coat surfaces. For various activities, such as renovating partitions or furniture, spray paint is beautiful.

Grade	Size	Qty.
6666, 6667	25 Pcs. *1 Box	300gm/ 440ml

## PAINT & GASKET REMOVER

**Description:-** Paint removers function by severing the surface's bond with the paint. A paint remover usually has three ingredients: an activator/solvent, a retarder, and a penetrant. The penetrant, which is typically an oil-based material, aids in softening and increasing the paint's pliability.

Grade	Size	Qty.
6661	25 Pcs. *1 Box	400gm

## RUST PREVENTIVE

### ZS-40 RUST REMOVER MULTI PURPOSE SPRAY

**Description:-** ZS-40 has excellent corrosion protection of metal parts and components, repelling atmospheric moisture and inhibiting flashrusting. Prepared for easy disassembly of frozen, rusted and jammed parts, assemblies and threaded joints Helps in cleaning.

Grade	Size	Qty.
4410	25 Pcs. *1 Box	50ml 150ml 96 Pcs. *1 Box
		400ml

### MULTI - FUNCTIONAL RUST PREVENTIVE FLUID

**Description:-** Rust-preventive oils and liquids are widely used to apply a protective layer against corrosion to metal items by dipping, brushing, and spraying.

Grade	Size	Qty.
6161	5x4	5Ltr 35Ltr 50Ltr 200Ltr

### ANTI - CORROSION WAX COATING SPRAY

**Description:-** One of the most important feature of anti-corrosion wax coating spray is that it is a highly efficient rust preventive, Its superiority is due to its peculiar chemical structure, stability, neutrality and above all its tenacious adherence to the metal surface.

Grade	Size	Qty.
3310, 3313 3223, 1361 1302, 3314	25 Pcs. *1 Box	270gm 300gm

**WESAF®**

## CLEANER/ DEGREASER

### STAIN & SPOT LIFTER SPRAY

**Description:-** It's a spray for removing oil and stains. It safely gets rid of oil spots and grease. Spot Lifter leaves a variety of fabrics and garments free of stains and rings. Presenting the Spot Lifter Spray 300g, the best remedy for easily removing tough stains.

Grade	Size	Qty.
4449	25 Pcs. *1 Box	300gm

### ELECTRICAL MOISTURE DISPLACEMENT SPRAY

**Description:-** Finding a water displacing, non-conductive spray that helps to displace moisture and shield electrical devices from water is the best course of action. Its crucial because it helps prevent the conductivity of electricity.

Grade	Size	Qty.
2010	25 Pcs. *1 Box	300gm

### MOLD CLEANER & DEGREASER

**Description:-** The powerful cleaning formula of Wesaf mold cleaner removes contaminants down to the virgin metal. Its quickly-evaporating chemistry pulls residue, oil, dirt, and grit from the pores of the metal and eliminates the bleeding.

Grade	Size	Qty.
4441, 4442	25 Pcs.	270gm
4444, 4448	*1 Box	300gm
4445 (NF)		350gm
1301, 4446		400gm

### ELECTRICAL CONTACT CLEANER SPRAY

**Description:-** Wesaf Electrical Contact Cleaner displaces moisture & restores resistance value, instantly of insulating materials & prevents deterioration of electrical properties. Provides protection against electrical leakage, arcing & short circuits.

Grade	Size	Qty.
1601 (NF), 1602, 1603 1604, 1605	25 Pcs. *1 Box	300gm 350gm

# WESAF®

## CLEANER/ DEGREASER

### ELECTRONIC COMPONENT CLEANER SPRAY

**Description:-** Plastics and fragile components can be safely cleaned with an electronic component cleaner spray. The electronic cleaner spray effectively eliminates dirt, oil, flux, and grease without leaving any trace, and it can remove a variety of pollutants from delicate electronics.

Grade	Size	Qty.
2003, 2001	25 Pcs.	245gm
2006, 2008	*1 Box	255gm
		300gm
		350gm

### BRAKE & PARTS CLEANER & DEGREASER

**Description:-** Wesaf Brake And Parts Cleaner & Degreaser is a full strength cleaner and Degreaser that safely and effectively removes brake fluid, grease, oil and other contaminants from brake and parts components.

Grade	Size	Qty.
2500	25 Pcs.	400ml
	*1 Box	150ml
	48 Pcs.	100ml
	*1 Box	

### MULTIPURPOSE DUST REMOVER

**Description:-** Wesaf Multipurpose Dust Remover safely removes dust by releasing a dry, high-pressure gas burst. dirt and lint from from all of the electronics and sensitive precision tools. It doesnot leave any residue or moisture behind and is non corrosive.

Grade	Size	Qty.
6099	25 Pcs.	250gm
	*1 Box	

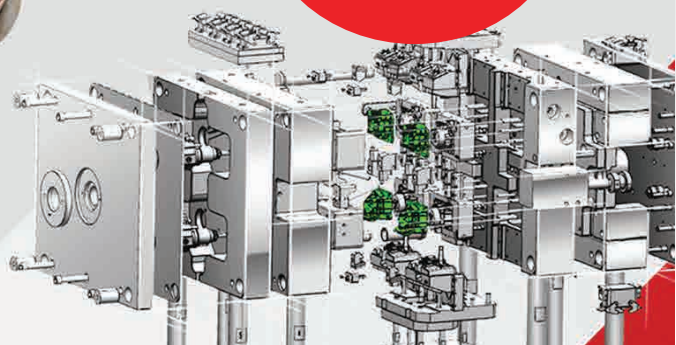

### BATTERY TERMINAL CLEANER

**Description:-** In our extensive range of products, we present a comprehensive range of battery terminal cleaner/protector. Helps maintain maximum battery current flow and increase out put. Cleans battery terminals and connectors quickly to remove corrosion.

Grade	Size	Qty.
8081	25 Pcs.	300gm
	*1 Box	

## CLEANER/ DEGREASER

### GUN CLEANER

**Description:-** Wesaf Gun Cleaner is a gun bore cleaner that safely and effectively shields your firearms from corrosion. It has been specially formulated with bio-degradable oils. It is odourless, non-toxic, and environmentally safe.

Grade	Size	Qty.
4441	25 Pcs. *1 Box	400ml 150ml
	48Pcs. *1 Box	

### SAFETY SOLVENT SPRAY

**Description:-** Safety Solvent that contains naturally produced solvents formulated to remove dirt, grease, oil and grime from metallic and non-metallic surfaces. This safety solvent is safe on most plastics, leaves no residue and cleans quickly without harming working parts.

Grade	Size	Qty.
6090	25 Pcs. *1 Box	500gm

### MULTI-PURPOSE CLEANER SPRAY

**Description:-** This Multi purpose foam cleaner that penetrates deep into the fabric or carpet fibres to make them completely clean. The rich foam is effective enough to lift soil and dirt with ease and restores that plush look for your car. When dirt or stains are removed from the surfaces, the cleaned area may reveal prior, sun induced fading.

Grade	Size	Qty.
5557	25 Pcs. *1 Box	350ml

## PROTECTORS

### ZINC GALVANISING SPRAY

**Description:-** It is formulated to restore surface damage caused by corrosion and galvanisation. outstanding resistance to corrosion. Utilised for domestic needs as well as in the steel, automotive, and construction industries.

Grade	Size	Qty.
5052,5055 5060	25 Pcs. *1 Box	300gm 320gm 350gm 370gm

### HIGH TEMPERATURE PAINT SPRAY

**Description:-** Wesaf High Temperature Paint Spray uses cutting-edge technology to create premium organic silicone anti-heat resin. For a long period, the paint film maintains its original performance at a high temperature of 600°C, and the silver colour can withstand this temperature.

Grade	Size	Qty.
6763	25 Pcs. *1 Box	300gm

### CLEAR COAT SPRAY

**Description:-** Wesaf Clear Coat Spray is a fast drying, flexible, transparent coating which protects against corrosion, moisture and environmental damage. It is useful for preserving documents, paintings, paper products, decoration, art and craft.

Grade	Size	Qty.
8090	25 Pcs. *1 Box	250gm 300gm

### BELT DRESSING SPRAY

**Description:-** keeps away corrosion and moisture from causing electrical failures. It eliminates rust, scaling, and grime. Fixes wet electrical equipment by displacing moisture. Thin dielectric lubricant for lubrication, loosens assemblies and rusted/seized parts.

Grade	Size	Qty.
5005	25 Pcs. *1 Box 48 Pcs. *1 Box	250gm 300gm 150ml

## PROTECTORS

### PCB CONFORMAL COATING SPRAY

**Description:-** The PCB Conformal coating provides acrylic conformal coating to protect electronic circuits against rough environment that may contain moisture and other chemicals.

Grade	Size	Qty.
9124	25 Pcs. *1 Box	300gm

### RED INSULATING VARNISH SPRAY

**Description:-** It is a flexible, high-temperature, red, high-gloss coating that resists chemicals and is suitable for Class F windings and electrical equipment. It is specifically made to seal and protect insulated surfaces against degradation, moisture, acid, and alkaline gasses.

Grade	Size	Qty.
1690	25 Pcs. *1 Box	355gm

### BATTERY TERMINAL COATING SPRAY

**Description:-** Battery Protector is designed to protect battery terminals from corrosion, the leading cause of battery failure, and to maintain the batteries peak performance level. Battery Protector provides a dry, lead-free protective coating that keeps moisture, salts, and road grime from corroding metal contacts.

Grade	Size	Qty.
8080	96 Pcs. *1 Box	150gm
	25 Pcs. *1 Box	250gm
		300gm

### ANTI TRACK-RED SPRAY

**Description:-** This air-drying Class H epoxy insulation aerosol spray paint is opaque and red in color. It has a high dielectric strength, excellent adhesion, and a durable, glossy finish. It is specifically made to shield insulated surfaces from deterioration, exposure to moisture, oil, acid, and alkaline fumes.

Grade	Size	Qty.
1691	25 Pcs. *1 Box	355gm

# LUBRICANT SPRAY

## GREASE SPRAY

**Description:-** Fast-drying lubricant that forms a thin, black film providing excellent anti-friction and anti-seizure properties to surfaces. • Good Lubrication at high temperatures. • Extends Parts Life.

Grade	Size	Qty.
1007	25 Pcs. *1 Box	250gm

## WIRE ROPE & GEAR ROPE LUBE SPRAY

**Description:-** A high performance de-watering wire rope aerosol designed for complete lubrication and corrosion protection of most types of wire ropes, particularly in wet and hostile conditions.

Grade	Size	Qty.
8062	25 Pcs. *1 Box	300gm

## DRY MOLY SPRAY

**Description:-** Wesaf Dry Moly Spray provides a very high content molybdenum disulphide film. It is designed to lubricate sliding mechanisms such as plain bearings, pins, cans and slides where a wet lubricant cannot be tolerated.

Grade	Size	Qty.
1008	25 Pcs. *1 Box	250gm

## ADHESIVE GREASE SPRAY

**Description:-** Wesaf Adhesive Grease Spray in aerosol form intended mainly for the lubrication of open gears subject to heavy loads and to severe climatic conditions. Its adhesive properties, O Gear creates a protective film that is impact resistant and protects the mechanisms against wear.

Grade	Size	Qty.
1009	25 Pcs. *1 Box	250gm

# LUBRICANT SPRAY

## ANTI-SEIZE SPRAY

**Description:-** Anti Seize Spray is a copper-based, lead-free anti-seize aerosol, reinforced with graphite and molybdenum disulphide to further enhance its performance.

Grade	Size	Qty.
1010	25 Pcs. *1 Box	250gm

## DRY PTFE SPRAY

**Description:-** Spraying Polytetrafluoroethylene PTFE on to a variety of metallic and non-metallic surfaces results in the deposition of a dry layer. A lubricating medium with an exceptionally low coefficient of friction is provided by the white, which is impervious to most chemicals.

Grade	Size	Qty.
1011	25 Pcs. *1 Box	250gm

## DRY GRAPHITE SPRAY

**Description:-** Dry Film Lubricant contains high purity graphite along with an organic binder that will adhere the coating to most surfaces. This leaves a dry, tack free film of highly lubricous graphite which will lubricate and reduce friction in parts so they slide or rotate easily.

Grade	Size	Qty.
1012	25 Pcs. *1 Box	250gm 400gm

## CHAIN OIL SPRAY

**Description:-** Wesaf Chain Oil Spray is ideal for using in all types of vehicles operating under conditions of high temperature, high load, weather and water attack. Keeps the chains clean, prevents wear, tear and stretching. Improves energy efficiency.

Grade	Size	Qty.
5161	25 Pcs. *1 Box	300gm

# LUBRICANT SPRAY

## TREAD MILL LUB SPRAY

**Description:-** Recommended for all manual and motorized treadmills, silicone oil extends service life of the treadmill and enhances overall performance. Expensive treadmills need regular maintenance between the belt and rollers.

Grade	Size	Qty.
1013	25 Pcs. *1 Box	250gm

## DASHBOARD SHINER SPRAY

**Description:-** Dash Board Shiner leaves your dashboard ultimately clean leaving no grounds for dust. It efficiently aids in maintain the dashboard shine for a longer time-period as it acts as a protective coating.

Grade	Size	Qty.
7200	25 Pcs. *1 Box	150ml
	48 Pcs. *1 Box	400ml
		500ml

## MULTIPURPOSE SILICONE SPRAY

**Description:-** Wesaf Silicone Spray is a versatile, solvent-free lubricant spray with a wide range of exceptional uses, including lubrication, and weather proofing. Moisture resistance, dielectric sealing, surface rejuvenation, and odourless qualities make it excellent for a variety of uses.

Grade	Size	Qty.
3002	25 Pcs. *1 Box	300gm

## ANTI FRICTION SPRAY

**Description:-** Wesaf Anti Friction Spray the repels dust, dirt and water, resists oils, greases and adheres to metal, plastics and wood surfaces. It reduces friction, has excellent emergency runing properties and reduces runing noises.

Grade	Size	Qty.
1014	25 Pcs. *1 Box	250gm

# ANTI SPATTER GEL & FLUID

## ANTI SPATTER NOZZLE GEL

Grade	Size	Qty.
2110	48 Pcs.	300gm
2113	*1 Box	

**Description:-** Wesaf Anti-spatter gel is designed to prevent accumulation of spatter on nozzles and tips of welding torches. Semi-solid, waxy gel containing a special polymer dispersed in a wax base. It is a nozzle maintenance aid, which prevents accumulation of spatter on nozzles and tips of welding torches.

## PICKLING GEL

**Description:-** Pickling Gel is used to clean weld seams and surrounding areas and is applied with brush. Stainless steel weld cleaning gel, is used to remove heavy scales, discolouration, annealing colours, rust particles near weld and welding affected area by heat without grinding or wire brushing or buffing.

Grade	Size	Qty.
2921	15 Pcs. *1 Box	1kg

## Anti Spatter Fluid

**Description:-** Anti-Spatter Liquid is a ready to use water soluble, non toxic product developed to address the performance and environmental concerns of metal fabricators. By prolonging the life of your consumables and reducing the need for downtime. Anti-Spatter Liquid can help to reduce your operating and maintenance costs.

Grade	Size	Qty.
4210, 4211, 4212 4213	.....	1Ltr, 5Ltr, 50Ltr, 200Ltr

# TEST & INSPECTION PRODUCTS

## PENETRANT | DEVELOPER | CLEANER

**Description:-** WESAF DP SET is a non-destructive, three part, dye penetrant system, for fast and reliable crack detection. It is designed for checking welded joints and engineering components for hairline cracks and fractures. Ideal for all non porous materials including; most metals, plastics, and ceramics. Tested to ASTM E165 and IS-3658. We also conforms to RDSO Specification No.M&C/NDT/105/2001.

Grade	Size	Qty.
3601, 3602 3603	50 Pcs. *1 Box 25 Pcs. *1 Box 5x4	280ml 400ml, 1Ltr, 5Ltr,

## SMOKE DETECTOR TESTER SPRAY

**Description:-** This smoke detector tester efficiently simulates smoke to test the complete functionality of commercial and residential smoke detectors. Helps ensure your smoke detectors are in good working order, providing peace of mind.

Grade	Size	Qty.
8099	25 Pcs. *1 Box	200ml

## LEAK DETECTOR SPRAY

**Description:-** Wesaf Leak Detector Spray is a specially formulated fluid designed specifically even the smallest, positive pressure, gaseous leak on plastic and metallic pipework and fittings. Spray leaves a thin uniform film of surface-active agents that accurately identify any leakage or bleeding of joints.

Grade	Size	Qty.
9924	25 Pcs. *1 Box	400ml

# WESAF®

## AC AND REFRIGERANT SPRAY

### BUTANE GAS

**Description:-** We are offering an advanced grade Butane Gas Cartridge Refill to our valuable clients. The offered product is also known as the LPG gas refilling equipment widely finds its applications in different sectors, such as outdoor traveling, catering business, hotel etc.

Grade	Size	Qty.
001	25 Pcs.	225gm
0001	*1 Box 25 Pcs. *1 Box	310gm

### COIL SAVER

**Description:-** Wesaf Coil saver is to protect all type of AC coils which create a clear acrylic coating. It is also available in blue colour.

Grade	Size	Qty.
4264	25 Pcs. *1 Box	250gm 300gm

### HYDROCARBON SPRAY

**Description:-** Hydrocarbon gas plays an important role in our everyday life. It is a source of energy and is frequently used as fuel for cooking, heating, and electricity production. Methane makes up the majority of natural gas, which is a clean-burning energy source that is essential for lowering greenhouse gas emissions.

Grade	Size	Qty.
3434	25 Pcs. *1 Box	170gm

### AC VENT FOAM CLEANER SPRAY

**Description:** Eradicate odors and disinfect with AC Vent Foam Cleaner Spray. This powerful formula effectively cleans car airconditioner louvers, ducts, and coils. Its natural essential oil blend eliminates odorcausing organisms, including food and tobacco smells, ensuring a fresh and clean air conditioning system.

Grade	Size	Qty.
9921	25 Pcs. *1 Box	300ml

# SPECIALTY GREASES

## SYNTHETIC CHAIN OIL

**Description:-** We are a leading supplier of synthetic base oils that are used in many high temperature chain oil applications including conveyor systems, stenter frames for textiles, food processing, plastic film stretching, fibre board manufacturing, ceramics and many more.

Grade	Size	Qty.
6601	.....	5Ltr, 20Ltr
6602		50Ltr

## SPECIALTY GREASES

**Description:-** Wesaf Specialty Grease are the most simple and economic solution to control movements and noise. Contrary to traditional greases, those are formulated with synthetic oils with an high molecular weight and at disposal in a wide range of viscosity to obtain movements velvety, without backlash, precise and controlled.

Grade	Size	Qty.
3322, 3323 002, 3324 0049	.....	1kg, 10kg 18kg

## ANTI-SEIZE COMPOUND

**Description:-** Wesaf anti-seize compound is a substance that seals and shields metal fasteners and other components against severe caustic chemicals, acids, alkalis, high temperatures, and pressures. It is composed of highly refined graphite and micro-metals and is lubricated with synthetic and basic materials.

Grade	Size	Qty.
5555	9 Pcs. *1 Box	1kg, 10kg 18kg

# SPECIALTY GREASES

## EP GREASE 0, 00, 000, 000

**Description:-** The high-quality EP series are ideal for lubricating a variety of mechanical devices. Designed to satisfy the diverse needs of bearing makers, these are excellent multifunctional greases. They have outstanding mechanical stability, oxidation resistance, and corrosion inhibition. They are also water-resistant.

Grade	Size	Qty.
0, 00, 000, 000	9 Pcs. *1 Box	1kg, 10kg, 18kg, 180kg

## HIGH SPEED GREASE

**Description:-** This High Speed Bearing Grease contains a polymeric additive, which improves its affinity to metal surfaces and provides superior wetting and adherence. These greases provide superior lubrication than ordinary lithium/petroleum greases and has a longer serviceable life.

Grade	Size	Qty.
5000	9 Pcs. *1 Box	1kg, 10kg, 18kg

## LONG TERM GREASE

**Description:-** Being a quality centric firm, we are offering best and perfect quality array of Long Run Grease. They are produced with the use of modern machines and tools. They are oily and best in greasy finish. They are best in functionality.

Grade	Size	Qty.
3305	9 Pcs. *1 Box	1kg, 10kg 18kg

## RED GEL GREASE

**Description:-** Red gel grease sticks well, preventing oil splatters and leaks and keeping the grease in place. In addition to extending equipment life, this guarantees constant lubrication. Industrial machinery, such as that which runs in hostile conditions or under high loads and pressures, also uses red gel grease.

Grade	Size	Qty.
0799	9 Pcs. *1 Box	1kg, 10kg 18kg

# SPECIALTY GREASES

## EP -1, 2, 3

**Description:-** Reduced wear under heavy or shock loading and vibration for good equipment reliability and availability Protection against rust and corrosion and resistance to water wash out for equipment protection and good lubrication even in presence of water.

Grade	Size	Qty.
1, 2, 3	9 Pcs. *1 Box	1kg, 10kg 18kg, 180kg

## SILICONE GREASE (FOOD GRADE)

**Description:-** A food-grade, high-viscosity silicone grease that is ideal for sealing and lubricating food processing and pharmaceutical applications. It ensures sustained performance in high-temperature and high-pressure settings and offers exceptional resistance to water, steam, and chemicals.

Grade	Size	Qty.
0317	9 Pcs. *1 Box	1kg, 10kg 18kg

## CHUCK COMPOUND

**Description:-** A high-quality lubricant made to improve chucks, collets, and other clamping systems' grip and decrease wear. It offers superior adhesion, resistance to wear, and anti-seize qualities, guaranteeing seamless operation and a longer tool life.

Grade	Size	Qty.
5250	9 Pcs. *1 Box	1kg, 18kg

## HV SILICONE GREASE (FOOD GRADE)

**Description:-** A high-viscosity, food-grade silicone grease designed for superior lubrication and sealing in food processing and pharmaceutical applications. It provides excellent resistance to water, steam, and chemicals while ensuring long-lasting performance in high-temperature and high-pressure environments.

Grade	Size	Qty.
311	9 Pcs. *1 Box	1kg, 10kg 18kg

# SPECIALTY GREASES

## HEAT SINK COMPOUND

**Description:-** Heat sink compounds are modified silicone systems made of a single component. This product has a wide range of uses, such as mounting studs for transistors, diodes, and silicone rectifies to enhance conductivity at heat sink connections and offer an efficient heat seal.

Grade	Size	Qty.
0014	9 Pcs. *1 Box	1kg, 10kg 18kg

## WIRE ROPE LUBRICANT

**Description:-** Specially designed water resistant grease for long life lubrication of wire ropes that are exposed to extreme friction conditions. Premium 1000 WR has excellent corrosion protection properties.

Grade	Size	Qty.
8061	9 Pcs. *1 Box	1kg, 10kg, 18kg

## NON-MELT GREASE

**Description:-** A high-performing, non-toxic lubricant intended for use in the pharmaceutical and food processing sectors. Excellent water resistance, temperature stability, and long-lasting lubrication for seals, O-rings, gaskets, and valves are all provided by this food-grade silicone grease.

Grade	Size	Qty.
5552	9 Pcs. *1 Box	1kg, 10kg 18kg

# WESAF®
